

## A call for articles ¡Collaborate with us!

Send us information about the activities, results and processes taking place in the Americas towards the implementation of the Ramsar Convention, or about actions in the wetlands. We are also interested in publishing information regarding training courses and events.

Send us your activities, events, processes, project outcomes or other positive news to [info@creho.org](mailto:info@creho.org). Remember that each article must have a maximum size of 1,300 characters, including the spacing. The images to illustrate your article must have a resolution higher than 72 dpi and must be accompanied by the name of the photographer and the copyright authorization in order to be reproduced in INFOWETLAND

### **Special Issue “Wetlands, cradles of biodiversity”**

For the special issue featured in our next publication, we invite you to send us specialized information regarding the processes, techniques, experiences and outcomes around the theme of biodiversity on wetlands . You can send chronicles, essays or technical analysis.

Format for the special issue: Send us your chronicle, essay or technical analysis to [info@creho.org](mailto:info@creho.org).

Remember that each article must have a maximum size of 3,000 characters, including spacing. The images to illustrate your contribution must have a resolution higher than 72 dpi and must be accompanied by the name of the photographer and the copyright authorization in order to be reproduced in INFOWETLAND.

### **INFOWETLAND Vol. 4. Number 2.**

**Infowetland is an information service provided by the Ramsar Regional Center for Training and Research on Wetlands in the Western Hemisphere (CREHO)**

**Next INFOWETLAND will be out in July 2009  
The special issue will deal with the biodiversity on wetlands**

**Send your news, topics, events and information before  
June 22th, 2009 to the e-mail [info@creho.org](mailto:info@creho.org)**

The Editorial Committee approves the content of each issue of the INFOWETLAND bulletin; thus, receiving an article does not guarantee its publication. Modifications made to the material received will be notified via e-mail to the author or information source, and if he/she does not object to the modifications, the committee will take it as the approval to publish the article with the proposed changes.
